

2023 THUNDER FOOTBALL

The Thunder program was created to develop players for the highly successful Lake Country Lutheran High School football program and is directed by the We Play For Him organization.

Our goal is to provide a quality tackle football experience inside a distinctly Christian environment. We are very much a

“family first” organization and will function as an extension of your family values as we train your boys to be exemplary Christian young men and solid football players. Each player will gain instruction in both an offensive, defensive and special team position. We believe the only way to grow and learn in football skill is through participation and not watching from the sidelines. Therefore, our players fully participate in every drill and are instructed and participate equally in practice. We are proud to be a member of a league that promotes participation of all players. Every player will also participate in a daily team prayer.

Today’s sports culture has created a “win at all costs” mentality. However, Thunder Football success is not based on wins and losses. Coaches are trained that success is determined by how they convey character and self-esteem to each child. There is a fine line between being competitive and belittling others, and we make sure we are on the proper side of that line. God requires us to act with utmost character in EVERY situation under EVERY circumstance. The Thunder program will cease to exist if we fail to meet this important philosophy.

Our league plays with a combined 5th and 6th grade team, and a combined 7th and 8th grade team. Practices start mid-August, and run from 5:00pm – 7:00pm Monday through Thursday for the first two weeks. After that, practices will move to Tuesday, Wednesday and Thursday for the remainder of the season. All practices and home games are played at Lake Country Lutheran High School and games are played on Saturday mornings.

We are a member of the Greater Metro Milwaukee Youth Football League (GMMYFL) which also includes teams from University School of Milwaukee, Kettle Moraine Lutheran, Nicolet, Brookfield Academy, Pius, Shorewood/Messmer, Cudahy, Racine Lutheran, St. Francis, Shoreland Lutheran and Thomas More.

The game schedule starts in September (after Labor Day) and runs through October. We play 7 league games and one scrimmage held the last week of August. All equipment is supplied except football cleats, girdles and mouthguards.

Cost is \$325 for all players that register before March 31, 2023. Registration after March 31 will be \$350.
